

Custom Fit Beanie in Double Crochet Worksheet and Basic Pattern

By Deja Jetmir

See video tutorial at: <http://www.crocheteverafter.com/tutorials>

Circumference = total length around widest part of
your head

Finding Diameter For Crown of Beanie

Diameter of Circle = Circumference/3.14

Step 1: Substitute the circumference of your head
for x in equation below.

$$\text{Diameter} = x/3.14$$

Step 2: Divide the circumference of your head by
3.14 (AKA pi)

Step 3: Round up or down.

To Estimate Number of Rounds You Will Work and Find Correct Hook Size

Step 1: Complete RND 1 and 2 of beanie with recommended hook size for yarn used.

Step 2: Measure the diameter of RND 1.

Step 3: Divide the RND 1 diameter by the total diameter needed for the crown of the beanie.

Equation: Total Diameter/Diameter of RND 1

Step 4: If the resulting number is close to a whole number, use that hook.

If it is not, change hook sizes (either up or down) and again follow the directions above.

Note: The whole number you get with the correct hook will be the number of RNDs to work for the crown on the beanie.

Crown of Beanie

RND 1: 12 DCs in Magic Adjustable Loop. 12 STS

RND 2: CH 3 (counts as a DC), DC in same ST, DC 2 times in each ST around. 24 STS

RND 3: CH 3 (counts as a DC), DC in same ST, **DC**, [DC 2 times in next ST, **DC**] 11 times. 36 STS

RND 4: CH 3 (counts as a DC), DC in same ST, **DC in next 2 STS**, [DC 2 times in next ST, **DC in next 2 STS**] 11 times. 48 STS

RND 5: CH 3 (counts as a DC), DC in same ST, **DC in next 3 STS**, [DC 2 times in next ST, **DC in next 3 STS**] 11 times. 60 STS

Keep increasing by 12 STS until correct diameter is achieved. Then work even stitches around to length you like. Ending ST count should be a multiple of 12.

Notice that each RND you are adding 1 DC to the number in red for correct stitch count in between the increases.

Body of Beanie RND instructions

No Increase RNDs: CH 3 (counts as a DC), DC in each ST around. ST count will vary depending on your crown size.

Fasten off and weave in ends when happy with size.

See video for color changing information.
