## Basic Instructions

By Deja Jetmir

### Materials:

- Motif will work in any type of yarn. Worsted medium weight is good for blankets.
- Choose a hook recommended for your yarn weight. I like a smaller hook to create a dense motif.

### Skill Level: Beginner

**Row 6:** Turn, CH 1, SC in next 5 STS, SC 3 times in next ST, SC in next 5 STS.

Notice the text in RED. Each row it increases by 1 ST on each side. Continue your pattern as big as you like by increasing each Row by 1 where the text is RED.
