Shell Instructions

RND 1: With **CA** and the piercing hook in the Edgit set. SC evenly around the entire pillowcase. Join RND with SL ST in 1st SC.

Note: See video tutorial on how to space the stitches and work into the pillowcase with this specialized hook.

Switch to rounded crochet hook for rest of RNDs.

Before beginning RND 2 count how many stitches you made on RND 1.

You need a multiple of 6 for the shells to sit evenly around the pillowcase.

Divide your total amount of stitches by 6. If there is a remainder. You will need to increase evenly around RND 2 by the needed stitches to make the remainder equal 6.

For example if you have a remainder of 3, you will need to increase by 3 total stitches on RND 2. See the video tutorial for more info.

RND 2: CH 1, SC in same ST as joining. SC in each ST around (increase as needed).
