## Edging

This edging will create a rope effect along the edge. You can substitute a simple single crochet edging if you prefer.

With loop already on hook, turn, CH 1, \*insert hook into next ST, YO, pull up a loop, with both loops on hook, turn your hook 360 degrees in a clockwise motion (see video for help with this), YO and pull loop through both loops on hook; repeat from \* to each edge of washcloth. At the edge do the same stitch 3 times in last stitch of edge to make turn. Join RND with SL ST in 1st ST. Fasten off and weave in ends.
