

MOBIUS COWL

DESIGNED BY
DEJA JOY

Skill Level: Easy
Materials:
 1 skein Lamb's Pride Bulky (5) Weight Yarn in color: Ocean Waves (M220)
 • 100 grams/ 125 yards per skein
 • Substitute with any bulky weight type yarn in any color you like.
Crochet Hook: US-L [8mm]
Gauge: 2" = 5 SCs and 5 1/2 rows
Finished Measurements: approx. 24" circumference x 7" high

Creating Mobius Twist

You will join your foundation CH to form a ring, but instead of making sure there are no twists in your CH, you will purposefully put a 180 degree twist before joining the RND with SL ST in first CH. See pictures for a visual reference of this twist.

To create the mobius, twist the yarn 180 degrees. Then insert hook through the loop on "top" of yarn to join. As you can see in the picture above, the black "lines" represent the bottom bump of your foundation chain. The arrow is pointing at where the twist in this RND was made. Your hook will enter the loop that is above your foundation bump. Then perform SL ST to close RND. You will be working into the "top" loop for the first 60 STS, then work into the "bottom" loop for the remaining 60 STS of the RND (see pattern instructions below for more info).

Traditional joining of a RND. All "V"s are pointing the same direction. The black "V"s above represent your chain "V"s as they make their way around the RND.

Cowl Instructions

CH 60

Note: When stitching, each RND will make a figure 8. You will see a middle line and half of your rows will be facing downwards, you will end up with a total of 20 rows even though you are only stitching 10(see picture below for visual). Use a stitch marker to keep track of RNDs because this pattern is worked in spirals, there will be no joining of RNDs.

Dashed white line shows where the foundation chain will be. Each Rnd worked will result in a row above and below the foundation chain. Notice how each side is a mirror of the other.

RND 1: CH 1, SC in each ST around. 120 STS

Note: This is where you will be working in the top loop of the foundation chain for 60 STS, then the bottom loop of the foundation chain for the remaining 60 STS.

RND 2: SC in each ST around. 120 STS

RNDs 3 -10: Repeat RND 2. 120 STS

After last ST of **RND 10**, SL ST next ST then fasten off for a nice finish. Weave in ends. Enjoy!

Alternate Stitches and Looks

You can easily substitute stitches in this pattern for a different look. You can use a HDC stitch instead of SC for a shorter and denser look.

Abbreviations Used

CH: chain

RND: round

SC: single crochet

ST(S): stitch(es)

SL ST: slip stitch

HDC: half double crochet
