

CIRQUE JEWELRY

DESIGNED BY DEJA JOY

Skill Level: Easy
Materials:
Less than ¼ skein of each Vanna’s Choice yarn in the following colors:
• Lullaby Pink (103) CA
• Aqua (102) CB
• Taupe (125) CC
• Purple (147) CD
• Substitute with any medium/worsted weight yarn.
“Dritz” (brand name) Plastic Rings in three sizes: 1 ½”, 1 1/8”, and 1”
Crochet Hook: 6mm [US-J]
Finished Measurements: varies depending on what you make

Purple Necklace

Next put your hook through the middle of the hook and draw up a loop as the picture below shows.

Use **CD** and 14 Rings in size 1 1/8” to make the one pictured.

As pictured below, take your first ring and tie a knot to start your necklace.

Perform a SL ST with this loop. Now you will have one loop on your hook for the rest of project so you can perform SCs.

SC 12 times in the ring, push them all together (it should take up approx. half of the ring once you do this). CH 2. Join the next ring as shown in the next picture.

Note: After each SC, tighten the stitch to be flush with the ring, otherwise your circles may be lopsided if your stitches aren’t consistent.

Insert hook through ring as you did for the first ring.

Grab your yarn with the hook, notice the yarn placement coming from the existing necklace is on the right of the hook.

Yo, pull up loop through ring. Keep this first SC close to the CH 2 you just performed. Tighten it as you go.

Finish your SC and continue your 12 SCs on this ring.

Continue this process until you finish all 14 rings. CH 2 after 12 SC on last ring, then bring bottom loop up to top loop and join the ring to form a complete circle.

Note: Make sure your necklace is untwisted before you join it.

Now continuing down the other side of your necklace you will SC 12 and SL ST 2 times in the CH 2 STS. Complete all 14 rings and SL ST the last ch 2 STS. Fasten off and weave in end.

Pink Necklace

Use CA and 20 rings in 1" size.

Follow instructions for the purple necklace with these following changes:

Note: Instead of performing 12 SCs on each side, you will only perform 10 SCs. You will still use CH 2 in between rings.

Pink and Taupe Necklace

Use CA and CC and 18 rings in 1" size.

Use **CA** and follow the instructions for the purple necklace up to last 2 CHs on the last ring before joining. Note: You will only use 10 SCs for the 1” rings, not 12 SCs as in the purple necklace.

Next join **CC** by pulling up a loop on the last CH of **CA**. Fasten off **CA**. Continue down the other side with **CC** following the purple necklace instructions.

Note: Hide your tails of the color change in the stitches of the necklace. Lay them along the ring and make the scs around them like they were part of the ring. Cut off any ends that stick out.

Aqua and Taupe Necklace

Use **CB** and **CC** and 8 rings in 1 ½” size and 8 rings in 1 1/8” size.

Follow instructions for purple necklace with these following changes:

Hold two yarns together to get striped effect.

Perform 10 SCs for 1 ½” rings

Perform 8 SCs for 1 1/8” rings

Aqua Bracelet

Use **CB** and 5 rings in 1 1/8” size
Follow instructions for purple necklace.

Child’s Purple and Taupe Bracelet

Use **CD** and **CC** and 4 rings in 1” size
Follow instructions for Pink and Taupe Necklace.

Final Note: Now get creative and think of the different ways you can complete these necklaces, adding beads, different CH spaces in between rings, the possibilities are endless.

Abbreviations Used

- CH:** chain
- RND:** round
- SC:** single crochet
- SL ST:** slip stitch
- ST(S):** stitch(es)
