

# PETITE BASKETWEAVE COWL (GLOW STYLE)

## DESIGNED BY DEJA JOY

**Skill Level:** Intermediate

**Materials:**

320 yards of Worsted Weight Yarn for base of cowl

160 yards of Lace Weight Glow in the Dark yarn

Yarn or tapestry needle

**Crochet Hook:** 6mm [US-J]

**Gauge:** 4" = 14 STS and 12 rows

**Finished Measurements:** Approx. 24" around x 8.5" high

**Special Instructions for Pattern:**

- Read through pattern before beginning.

- You will join in the lace weight glow in the dark yarn on RND 2 and drop it every other RND. You can watch how to join in the video tutorial on my website.

**Special Stitch**

**Tall CH:** This will be used instead of a beginning CH 3. You will pull up a loop as tall as a DC, then lock it in with another CH. Your first DC will be worked in the first ST of the row. The tall CH does not count as a ST. This will eliminate the gap at the beginning of the RND.

See photo tutorial on the next page for help.
